## GISD Plans Community Engagement Sessions

In an effort to increase involvement from all parts of our community, the Gladewater Independent School districts will host a series of Community Engagement Sessions. These events, to be held at each school in the district, will give system leadership the opportunity to share information with citizens. Further, the town-hall format will provide residents the opportunity to provide feedback for the system. The events will promote a harmonious and collaborative atmosphere.

“GISD has experienced success as a school system,” said Sedric Clark, Superintendent. “These successes would not have been possible without an engaged, supportive community. These successes will only increase as community involvement increases. We want to keep the doors of communication open as we move deeper into the current school year and plan for the future of our district, and most importantly, our children.”

The public is invited to attend the following Community Engagement Sessions:

Tuesday, January 9 = Gladewater High School Auditorium

Wednesday, January 10 = Weldon Elementary Auditorium

Tuesday, January 16 = Gladewater Primary Cafeteria

Wednesday, January 17 = Gladewater Middle Cafeteria. All events are scheduled to begin at 6pm and conclude by 7pm.
