

Gladewater ISD will accept nominations for the gifted and talented program for students currently enrolled in grades K – 12. Nominations may be made by anyone interested in a student's educational welfare.

Nomination and consent for assessment forms may be obtained from the office of each individual campus.

Please see campus counselors for further information.

Completed forms must be returned to counselor's office by **December 19, 2018**.

Gifted students demonstrate skills in self-directed learning, thinking, research, and communication. Gifted students develop innovative products. The performance of a gifted student often reflects individuality and creativity that is advanced in relation to students of similar age, experience, or environment. A gifted student exhibits high performance capability in an intellectual, creative, or artistic area; possesses an unusual capacity for leadership; or excels in a specific academic field.
